

RESERVATION POLICY

Our staff at Stovall Dental is committed to providing the highest quality of dental care and services for our patients. Dental procedures require preparation and planning including but not limited to: appropriate staffing, treatment room availability and material preparation at specific times during our work day. We reserve specific time blocks to meet patient schedules and the urgency of your dental needs. If you have made a reservation with us, that time has been reserved **exclusively for you** and we have prepared in advance for your visit. Please be advised of the following requirements:

- Stovall Dental requires at least 24 hours' notice if you are unable to make your reservation time.
- If you fail to give 24 hours' notice and do not show for your scheduled reservation, it will count as a MISSED RESERVATION.
- Three (3) MISSED RESERVATION occurrences may result in the dismissal from our practice.
